

The Musgrave Record

Marilyn Musgrave:

- Was named one of the 13 most corrupt members of Congressⁱ for illegally using taxpayers' money to fund a political campaign. She even voted to squash a Congressional investigation into the now jailed lobbyist Jack Abramoffⁱⁱ, who pled guilty to conspiracy and bribing members of Congress.
- Took \$169,799ⁱⁱⁱ from oil and gas companies and then voted to give them billions in tax breaks^{iv}. She even voted against penalizing gas price gougers^v, one of only 34 House Members who voted against the bill.
- Voted against increased fuel-efficiency for cars^{vi} which would help combat global warming and help consumers save money at the pump.
- Voted against renewable energy bills^{vii} that would have reduced America's dependence on foreign oil.
- Voted against a federal insurance bill^{viii} that would have helped her Larimer and Weld County constituents whose properties were damaged in the May 2008 tornado.
- Has voted with President Bush nearly 90% of the time^{ix}, supporting his policies that have put our country on the wrong track.
